Sir,

Subject Entertainment of two fieldmen in grade
20-1-30 for the Sewage Farm.

I have the honour to state that consequent on the extension of the Sewage Farm by acquiring the agricultural lands contiguous to the Farm, and also on account of the enlarged scope of work thereon, it was considered necessary to have immediately two fieldmen to provide better supervision over the hands working in the Farm where intensive cultivation is being carried on. The Sewage Farm Sub Committee who examined the question recommended that one fieldman for pre-cultivation work such as ploughing and preparing the ground for cultivation and another for seed sowing and spraying works be appointed on a graded pay of Rs.25-1-30 with the usual dearness allowance

The Managing Committee who examined the proposal at their meeting held on 19-6-46 approved of the same with the modification that two fieldmen of the grade Rs.20-1-30 be entertained as proposed in the Reorganisation scheme of the Farm. The Council have duly sanctioned the above proposal in their resolution No 1192 passed at their meeting held on 10-7-46.

In enclosing herewith the copies of the resolutions referred to above, I request you kindly to obtain sanction of Government to the entertainment of two fieldmen in grade Rs.20-1-30 very early, as

their services are urgently needed and the general sanction to the same (incorporated in the Farm Re-organisation proposals) may take some time more. The expenditure will be met out of Rs. 4000/- provided for "cultivation" under L.II. Sewage Farm.
